FIG. 4.

Fig. 1 is a schematic diagram of a rectangular substrate 22. It features two vertical columns of elongated openings 26. The left column is labeled 22a.

Diagram illustrating a 3x2 grid structure, labeled with columns and rows. The columns are labeled **COLUMN 1** and **COLUMN 2**. The rows are labeled **ROW 1**, **ROW 2**, and **ROW 3**. The grid is divided into six cells, numbered 1 through 6. Each cell contains a vertical rectangular element. A horizontal line labeled **22** runs across the top of the grid. A diagonal line labeled **20'** is shown in the upper right corner. A curved line labeled **26** is shown in each of the six cells, indicating a specific feature or connection within each cell.

FIG. 7C.

FIG. 7D.

Figure 1 is a schematic diagram illustrating a surgical procedure. The diagram shows a cross-section of tissue with various layers and structures. Labels include 'VW' (ventral wall), 'EF' (external fold), 'F' (fistula), 'UR' (ureter), and '42' (a specific anatomical feature). A pair of surgical scissors is shown cutting through the tissue.
